This is to certify that

**Ross Ferrell**

having demonstrated the knowledge competencies of the sport and exercise nutrition pathway, is a:

**Graduate Registrant** of the **Sport and Exercise Nutrition Register**

Valid from: **1 July 2021 to 30 June 2022**

Registration number: **23451**

---

Graduate registration of the Sport and Exercise Nutrition Register is for individuals who can demonstrate the appropriate knowledge competencies of the register through qualifications. It encourages safe and ethical practice in graduate registrants from graduation and their initial engagement in sports and exercise nutrition at different levels of practice. The maximum period of graduate registration will be 3 years; after which time the registrant will be required to demonstrate the requirements for full registration in either the sport and performance or community sports pathway. If not, the individual will be removed from the register.
